

Welcome back for 2012.

Welcome back for 2012, we hope you enjoyed at least a short break over Christmas.

Katt, Josie and I and the rest of the eMentor crew are looking forward to a fantastic year with you our eLeaders. There is already lots of planning behind the scenes for online training sessions in a variety of on line and computer tools to enthuse everyone (and yes we know we are slightly biased ;)

Please make sure you have joined the ACE network Ning (<http://acenetwrok.ning.com/>) so you can stay abreast of what is on offer on the training calendar .

If you are interested in Moodle, Coach Carol is offering some introductory courses on line. Everyone is welcome. Details from the Ning:

OnLine meeting – Monday 27 February @ 2pm

Please join us for a chat and catch up on your progress join us on line in **Blackboard Collaborate**.

Hi SMR eLeaders. Your eChampions are keen to catch up with you all to see how you are travelling along your eLearning journey, so we have organised an on line session for everyone on Monday 27th February at 2pm.

You don't need to leave your comfy office or home study, you only need access to a computer with the internet to participate in this meeting.

We recommend you drop in to the meeting room early so that you can have your computer set up ready to go for the meeting to commence at 2pm. This is a learning session about Blackboard so please join us.

Follow this link, and allow Blackboard Collaborate to install Java and any access or other downloads it needs.

Please note that this Blackboard room is a free open resource to ACFE providers. If you drop in early and someone else is having a meeting, normal courtesy is required ☺ .

See you in the virtual classroom on the 27th!
